

Frequently Asked Questions...

How much will Latchkey cost?

- This year, Latchkey's prices are now \$5/day in the mornings and \$13/day in the afternoon. There is a discount for families because of this increase. With 2 kids attending at least three days per week, there will be a discount of \$10; with 3 kids attending at least three days per week, there will be a \$20 discount.

Is there a limit on how many kids you can take each day?

- Normally, there is no limit. This year, we are capping at 100 kids due to having to social distance.

What will Latchkey look like from 12-3?

- Kids will first check in and eat lunch until about 1:00. After lunch we will wash hands, use the restroom as needed and fill up any water bottles the kiddos have. From about 1:00 to 2:30 will be homework/E-learning/Google Meets time. I am hoping to have Chromebooks, but with the limited amount of Chrome carts, we are not sure. After homework, the kids will clean up and either go outside for recess or have free time until snack time.

How will the kids be divided?

- Kids are separated into three groups. Group one is K/1st, group 2 is 2nd/3rd, and group three is 4/5/6th grade. Each group will be assigned an area for homework, lunch, and free time.

Where will they eat lunch?

- The kids will be divided among the cafeteria, AP Room, and possibly Frisk Gym to eat lunch with social distancing in place.

How do the lunch forms work?

- Each week, I will have a Lunch order form to fill out when parents pick their child up. They will fill it out and I will return it to our head cafeteria lady so she knows how many lunches to make for the following week. Cold lunches can also be brought by the kids, and hot lunch is free until December 2020.

How does billing/paying work?

- I will send out bills every Monday that will include tuition from the previous week. After bills are given, payments can be made Monday through Thursday evening. Checks are taken to the bank every Friday by our bookkeeper. Payment is accepted in cash or check ONLY. If you would like, you can pay in advance to give your account a credit.

How will the kids be social distancing?

- In each room they will be in, there are dots on the floors and tables to keep them six feet apart. During lunch time, they will be sitting on those dots as well as during any other time in the gyms. As long as the weather stays nice, they will be going outside to run around and be active. Please make sure your child brings appropriate attire based on what the weather is supposed to be that day.

Where do I pick up my child?

- You will pick up your child from my office after checking them out on the check out sheet. I use my phone to text their name and their teachers release them and send them outside my office, where I release them to you.
