Dear Parents and Students,

This year, we are allowing students to use electronic readers (e-readers) at school. While we are excited that students are using new technology to nurture their love of reading, we do have some rules for the appropriate use of these devices.

Rules for using e-readers

1. MGS is not responsible for lost, stolen or damaged e-readers. If you bring an e-reader to school, it is your responsibility to care for it.
2. All e-readers must be labeled with the student's first and last name. (Example: Use a permanent marker/permanent method to mark your device.)
3. Each student is responsible for his/her own e-reader and is not allowed to lend it to another student while at school.
4. E-readers can be used in class only when the teacher gives the student permission. If a student is using an e-reader at an inappropriate time, the teacher may confiscate it and leave it in the office for the student to pick up after school.
5. E-readers are to be used for reading only. Any student found to be using his/her e-reader for internet access during class will lose his/her privileges. (MGS is internet protected)
 - a. This means that books must be downloaded off campus, prior to coming to school.
 - b. Students may not play games on the e-reader.
 - c. Your e-reader needs to be kept in book bag when riding the bus.
 - d. E-reader can only be used in classrooms with teacher permission
6. E-readers may not be used at school for audio books.
7. The privilege to use an e-reader can be revoked at any time.

By signing the sheet below, you are giving your student permission to use his/her e-reader (Kindle or Nook, for example; **at this time no I-pads are allowed**) on campus in agreement with the rules listed above. Please have your student submit the signed form to his/her Homeroom teacher.

Enjoy reading!
