

**Dear Parents:**

Mrs. Emmons will be offering a skating unit that will last 2 weeks in physical education class beginning March 5<sup>th</sup> for grades 8 through 4. We will be renting the skates at a cost of \$9 per student from B.R. Sports, Ltd., the original in-school skating company. The students will receive instruction from their teacher in the proper method of forward and backward skating, cornering, turning around, and stopping.

The skates we will be renting have special polyurethane wheels that will not cause any harm to the gym floor. B.R. Sports carries product liability insurance on their skates.

We feel this is an important unit because skating is a highly beneficial aerobic activity and is a life-long activity that helps improve coordination, posture, balance, and rhythm.

*Please return the permission slip and payment as soon as possible.*

**CHECKS SHOULD BE MADE OUT TO MGS. Due Friday, February 9th**

**PLEASE BRING 2 PAIRS OF SOCKS. (AT LEAST ONE PAIR MUST BE LONG SOCKS!!)**
